Medicine Drum Activation

Shamanic Course

Wednesday 23 - Friday 25

March 2022

Palenque, Chiapas

Do you wish to deepen your connection to your shamanic drum ? Do you want to be of service to our ailing world by using your medicine with more focus and intent? Step into your wisdom at our shamanic course in Palenque and let the mayan energies of each moment be your Guides...

Palenque is considered the seat of the Sun God by the Mayans and one of the most important energy points on the planet by the international community. Immersed in lush forest, colourful wildlife and sacred waters, Palenque stores high frequencies of love waiting to be unlocked, it facilitates the integration of the sacred masculine, and helps you step into your warrior self with dignity and compassion.

Participants say our retreats are life changing and that they experience deep opening of the heart.

At this time of great challenges for humanity, we are calling all Shamanic Drums and their Keepers to activate the high frequencies of Palenque within them , to cultivate peace and unity in their heart and in the world.

Whether you made your own drum or not, this course is for you if you wish to awaken the potential that your drum carries and connect it to your own medicine.

The course is a good combination of personal and community practices from the mayan cosmology. You will learn about sacred geometry at the ancient pyramids, activate your mayan Nawal into the drum, and do ceremony for the earth. You will also participate and contribute to the Children of the Sun, ancestral educational program for the mayan children of the local community.
